moving machine · people · Faces blurred.

WHAT THE CAMERA SAW

- 10:42:09 — three people standing at the cabin door; a backhoe moving east behind the cabins.
- 10:42:17 — backhoe within ~5 m of the group, moving along the cable line.
- 10:42:22 — closest point: ~3 m between the backhoe and the nearest person (approx.).
- 10:42:30 — backhoe beyond ~5 m, turning at the warning sign east of the cabins.
- The three people stayed at the cabin door for the whole event.

State at end of recording · 10:42:35

- Backhoe at the warning sign east of the cabins, facing the camera.
- Three people still at the cabin door.
- One more person on the spoil heap behind the cabins.
